

# SWGDE Guest Attendance Request

The Scientific Working Group on Digital Evidence (SWGDE) is composed of member agencies from all levels of government. Our group has a mission of fostering communication and cooperation at all levels of law enforcement. We are working in the forensic community to establish sound practices and standards in the handling of digital and multimedia evidence.

If you are interested in attending our meeting and feel that you bring expertise and insight to the group, support our ideals, and meet the following criteria, please fill out the following request for an invitation to attend a SWGDE meeting as a guest.

- You are actively participating in the field of digital and multimedia evidence.
- You are willing to work toward the promotion of SWGDE's goals.
